

1) After login Google Cloud Console, from the top menu, click and then select the project:

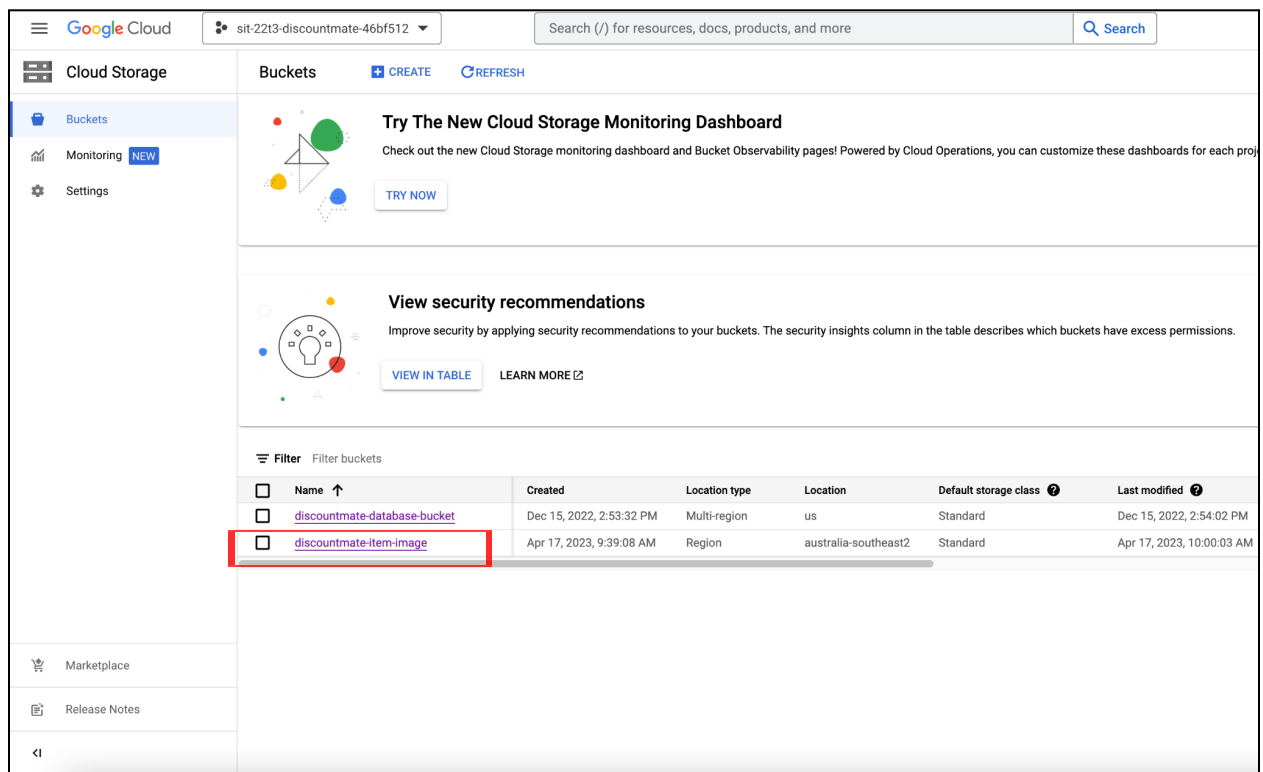

sit-22t3-discountmate-46bf512

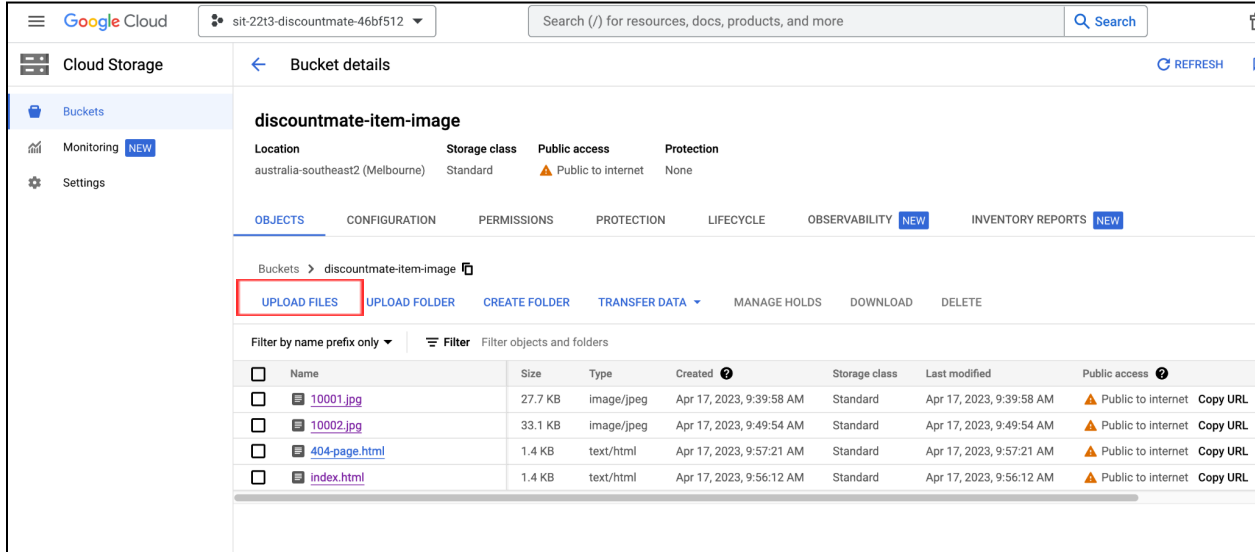

2) After selecting the project, click “Cloud Storage” in the quick access.

3) In the Cloud Storage page, click the bucket “discountmate-item-image”. (The other bucket is for database backup)

4) In the bucket page, click **UPLOAD FILES** to select files from your computer. Or simply drag your files to that screen. The upload will start.
